Kenna Ventures

PARTNER BROCHURE · 2026

Reach, support and fund Ethiopian businesses at scale.

Kenna Ventures gives banks, development partners, government agencies, universities and corporates a ready-made platform to run programs, source deals and measure impact, without building technology from scratch.

Powering Smarter Business Decisions.

Kenna Ventures · A platform by Erudite Africa Investments PLC · Addis Ababa, Ethiopia

One platform for the whole life of a business

Kenna Ventures is Ethiopia's first complete business and investment platform. It connects entrepreneurs, business owners, investors, lenders, mentors and advisors in one trusted place.

Grow

Incubation and acceleration programs, mentor matching and the Kenna Ventures Academy for founders and finance professionals.

Invest

An Opportunities Marketplace and curated Deal Rooms of diagnosed, graded businesses, with secure document sharing.

Recover

EHIRA, the Enterprise Health & Investment Readiness Assessment, grades businesses from A to E across eight dimensions, from finance to investment readiness, followed by guided recovery support.

Lend with confidence

The Credit Management Center helps businesses manage bank and MFI relationships and helps lenders complete client due diligence faster.

Why partners choose Kenna Ventures

- Verified profiles and independent health grades
- Secure deal rooms with logged access
- Application, selection and cohort tools included
- Impact data by gender, region and sector
- Payments in Birr through local gateways
- Content in English, Amharic and Afaan Oromoo

Who we partner with

Every partner type gets tools built for its own goals.

Banks and microfinance institutions	Find bankable SMEs with verified EHIRA grades, speed up client due diligence, monitor borrowers after disbursement, and train and certify staff through Academy enterprise subscriptions.
Development finance institutions and donors	Run challenge funds, accelerators and technical assistance programs with transparent selection and impact reporting.
Government agencies	Support SME growth, job creation and investment promotion with live data on businesses and sectors.
Universities and incubators	Give your startups a digital home, access to mentors and a route to investors after graduation.
Corporates	Find suppliers, acquisition targets and innovation partners, and run your own enterprise development programs.
Professional firms	Reach new clients as a listed advisor and co-host Academy courses.

Ways to partner

1

Host a program

Launch a branded incubator, accelerator or competition on Kenna Ventures with application, selection and cohort tools included.

2

Sponsor a Deal Room

Back a sector-themed Deal Room and get first sight of its businesses.

3

Co-create content

Publish research, courses or toolkits in the Knowledge Hub and Academy.

4

Integrate

Connect your systems to Kenna Ventures for referrals and reporting. API access for partners is planned after launch.

Measure what matters

Partner dashboards track the results of every program and Deal Room you support, and export reports for your board and funders in one click.

- Applications and selections
- Mentoring hours
- Capital raised
- Jobs supported
